

## Fill in the gaps

### Major-General's Song by Gilbert And Sullivan

...

I am the very model of a modern Major-General

I've information vegetable, animal, and mineral

I know the kings of England

And I quote the fights historical

From Marathon to Waterloo, in order categorical

I'm very well acquainted, too, with matters mathematical

I understand equations, both the (1)\_\_\_\_\_ and  
quadratical

About binomial theorem I'm teeming with a lot o' news

(Hmm, lot of news.... Got it!)

With many cheerful facts

About the square of the hypotenuse

...

I'm very good at integral and differential calculus

I know the scientific names of beings animalculous

In short, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General

...

I know our mythic history

King Arthur's and Sir Caradoc's

I answer hard acrostics, I've a (2)\_\_\_\_\_ taste for  
paradox

I quote in elegiacs all the crimes of Heliogabalus

In conics I can (3)\_\_\_\_\_ peculiarities parabolous

I can (4)\_\_\_\_\_ undoubted

Raphaels from Gerard Dows and Zoffanies

I know the croaking chorus

From The Frogs of Aristophanes

Then I can hum a fugue

Of which I've heard the music's din afore

(Ooh, din afore, din afore... Got it!)

And whistle all the airs

From that infernal nonsense Pinafore

...

Then I can write a (5)\_\_\_\_\_ bill in Babylonian  
cuneiform

And tell you every detail of Caractacus's uniform

In short, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General

...

In fact

When I know what is meant by "mamelon" and "ravelin"

When I can tell at sight a Mauser rifle from a javelin

When such affairs as sorties

And surprises I'm more wary at

And when I know precisely

What is meant by "commissariat"

When I have learnt

What progress has been made in modern gunnery

When I know more of tactics than a novice in a nunnery

In short, (6)\_\_\_\_\_ I've a smattering of elemental strategy

(Oh, that's a hard one, strategy... Got it!)

You'll say a better Major-General has never sat a-gee

...

For my military knowledge

Though I'm plucky and adventury

Has only been brought down

To the beginning of the century

But still, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General

...

(One more time?!)

...

In fact

When I know what is meant by "mamelon" and "ravelin"

When I can (7)\_\_\_\_\_ at sight a Mauser rifle from a javelin

When such affairs as sorties

And surprises I'm (8)\_\_\_\_\_ wary at

And when I know precisely

What is meant by "commissariat"

When I have learnt

What (9)\_\_\_\_\_ has been made in modern  
gunnery

When I know more of tactics than a novice in a nunnery

In short, when I've a smattering of elemental strategy

You'll say a better Major-General has never rode a horse!

...

For my military knowledge

Though I'm plucky and adventury

Has (10)\_\_\_\_\_ been brought down

To the beginning of the century

But still, in matters vegetable, animal, and mineral

I am the very model of a modern Major-General!

...

## Fill in the gaps

Answer

1. simple
2. pretty
3. floor
4. tell
5. washing
6. when
7. tell
8. more
9. progress
10. only
