

## Fill in the gaps

### The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying  
There isn't a number, you can call the pay phone

Let it ring a long, long, long, long time

If I don't pick up, (1)\_\_\_\_\_ up, let it ring (2)\_\_\_\_\_ more

If I don't pick up, pick up...

The sidewinder sleeps, sleeps, sleeps in a coil

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

There are scratches all around the (3)\_\_\_\_\_ slot

Like a heartbeat, (4)\_\_\_\_\_ trying to wake up

But (5)\_\_\_\_\_ machine can only swallow money

You can't lay a patch by computer design

It's just a lot of stupid, stupid signs

Tell her

Tell her she can kiss my ass

Then laugh and say (6)\_\_\_\_\_ you were only kidding

That way she'll know that it's really, really, really

Really me, me

Call me (7)\_\_\_\_\_ you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

Baby, instant soup doesn't really grab me

Today I need something more

(Substa-sub-sub-stantial)

A can of beans or blackeyed peas

Some Nescafe and ice

A candy bar, a falling star

Or a reading of (8)\_\_\_\_\_ Seuss

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

The cat in the hat came back

Wrecked a lot of havoc

On the way, always had a smile

And a reason to pretend

But their world has flat backgrounds

And little need to sleep butto dream

The sidewinder sleeps on his back

Call me when you try to wake her up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

I can always sleep standing up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

Call me (9)\_\_\_\_\_ you try to wake her up

Call me when you try to wake her

I can always sleep standing up

Call me when you try to wake her

Call me when you try to wake her up

Call me when you try to wake her

I can always sleep standing up

Call me when you try to wake her

I can always sleep standing up

Call me (10)\_\_\_\_\_ you try to wake her

We've got to moogie, moogie, move on this one

Answer

1. hang
2. some
3. coin
4. baby
5. this
6. that
7. when
8. Doctor
9. when
10. when
