

Or a reading of Doctor Seuss

Fill in the gaps

The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying	Call me (13) you try to wake her up
There isn't a number, you can call the pay phone	Call me when you try to (14) her
Let it ring a long, long, long time	Call me when you try to wake her up
If I don't (1) up, hang up, let it ring some more	Call me when you try to wake her
If I don't pick up, pick up	Call me when you try to wake her up
The sidewinder sleeps, sleeps, (2) in a coil	Call me when you try to wake her
Call me when you try to wake her up	The cat in the hat came back
Call me (3) you try to wake her	Wrecked a lot of havoc
Call me when you try to (4) her up	On the way, always had a smile
Call me when you try to (5) her	And a reason to pretend
Call me when you try to wake her up	But their world has flat backgrounds
Call me when you try to wake her	And (15) need to sleep butto dream
There are scratches all around the coin slot	The sidewinder (16) on his back
Like a heartbeat, baby trying to (6) up	Call me when you try to (17) her up
But this machine can only swallow money	Call me when you try to wake her
You can't lay a patch by computer design	Call me when you try to wake her up
It's just a lot of stupid, stupid signs	Call me (18) you try to wake her
Tell her	I can always sleep standing up
Tell her she can kiss my ass	Call me when you try to (19) her
Then laugh and say that you (7) only kidding	Call me when you try to wake her up
That way she'll (8) that it's really, really, really	Call me (20) you try to wake her
Really me, me	Call me (21) you try to wake her up
Call me (9) you try to wake her up	Call me when you try to wake her
Call me when you try to wake her	I can (22) sleep (23) up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to wake her	Call me when you try to wake her up
Call me when you try to wake her up	Call me when you try to wake her
Call me (10) you try to wake her	I can always sleep standing up
Baby, (11) (12) doesn't really	Call me (24) you try to (25) her
grab me	I can always sleep standing up
Today I need something more	Call me when you try to (26) her
(Substa-sub-sub-stantial)	We've got to moogie, moogie, move on this one
A can of beans or blackeyed peas	
Some Nescafe and ice	
A candy bar, a falling star
