The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying	Call me when you try to wake her up
There isn't a number, you can call the pay phone	Call me when you try to wake her
Let it ring a long, long, long time	Call me when you try to wake her up
If I don't pick up, hang up, let it ring some more	Call me when you try to wake her
If I don't pick up, pick up	Call me when you try to wake her up
The sidewinder sleeps, sleeps in a coil	Call me when you try to wake her
Call me when you try to wake her up	The cat in the hat came back
Call me when you try to wake her	Wrecked a lot of havoc
Call me when you try to wake her up	On the way, always had a smile
Call me when you try to wake her	And a reason to pretend
Call me when you try to wake her up	But their world has flat backgrounds
Call me when you try to (1) her	And little need to sleep (8) dream
There are scratches all around the coin slot	The sidewinder sleeps on his back
Like a heartbeat, baby trying to wake up	Call me when you try to wake her up
But (2) (3) can only swallow	Call me when you try to wake her
money	Call me when you try to wake her up
You can't lay a patch by computer design	Call me when you try to wake her
It's just a lot of stupid, stupid signs	I can always sleep standing up
Tell her	Call me when you try to wake her
Tell her she can kiss my ass	Call me when you try to wake her up
Then laugh and say that you were only kidding	Call me when you try to wake her
That way she'll know that it's really, really, really	Call me when you try to wake her up
Really me, me	Call me when you try to (9) her
Call me when you try to wake her up	I can always sleep standing up
Call me when you try to wake her	Call me when you try to wake her
Call me when you try to wake her up	Call me when you try to wake her up
Call me when you try to (4) her	Call me when you try to wake her
Call me when you try to wake her up	I can always sleep standing up
Call me when you try to wake her	Call me when you try to wake her
Baby, instant soup doesn't really grab me	I can always sleep (10) up
Today I need something more	Call me when you try to wake her
(Substa-sub-sub-stantial)	We've got to moogie, moogie, move on this one
A can of (5) or blackeyed peas	
Some Nescafe and ice	
A (6) bar, a falling star	
Or a reading of (7) Seuss
