

How it really feels

Fill in the gaps

All my life I've been waiting	l o be left outside alone
For you to bring a fairy (1) my way	When it's (8) out here
Been living in a fantasy without meaning	Well maybe you should know
It's not okay	Just how it feels
I don't feel safe	To be left outside alone
I don't feel safe (oh)	To be left outside alone
Left broken empty in despair	I tell ya
Wanna breath can't find air	All my life I've been waiting
Thought you were (2) from up above	For you to bring a fairytale my way
But you and me never had love	Been living in a fantasy without meaning
So much more I have to say	It's not okay
Help me find a way	I don't feel safe
And I wonder if you know	I need to pray
How it really feels	(Oh pray)
To be left outside alone	(Oh heavenly father)
When (3) cold out here	(Save me oh)
Well (4) you should know	(Whoa)
Just how it feels	(And I wonder if you know)
To be left outside alone	(How it really feels)
To be left outside alone	To be left outside alone
I tell ya	When it's cold out here
All my (5) (6) been waiting	Well (9) you should know
For you to bring a fairytale my way	Just how it feels
Been living in a fantasy without meaning	To be left outside alone
It's not okay	To be left outside alone
I don't feel safe	All my life I've been waiting
I need to pray	For you to (10) a fairytale my way
Why do you play me like a game?	Been living in a fantasy without meaning (oh!)
Always (7) else to blame	It's not okay
Careless, helpless little man	I don't feel safe
Someday you might understand	I need to pray
There's not much more to say	
But I hope you find a way	
Still I wonder if you know
