Fill in the gaps

All my life I've (1) waiting	To be left outside alone
For you to bring a fairy tale my way	When it's cold out here
Been (2) in a fantasy without meaning	Well maybe you should know
It's not okay	Just how it feels
I don't (3) safe	To be left outside alone
I don't feel (4) (oh)	To be left outside alone
Left (5) empty in despair	I tell ya
Wanna breath (6) find air	All my life I've been waiting
Thought you were (7) from up above	For you to (20) a fairytale my way
But you and me never had love	Been living in a (21) without meaning
So much more I have to say	It's not okay
Help me find a way	I don't feel safe
And I wonder if you know	I need to pray
How it really feels	(Oh pray)
To be left outside alone	(Oh heavenly father)
When (8) cold out here	(Save me oh)
Well maybe you should know	(Whoa)
Just how it feels	(And I wonder if you know)
To be left outside alone	(How it (22) feels)
To be left outside alone	To be left outside alone
I tell ya	When (23) cold out here
All my (9) (10) (11)	Well maybe you should know
waiting	Just how it feels
For you to bring a fairytale my way	To be left (24) alone
Been living in a fantasy (12) meaning	To be (25) outside alone
It's not okay	All my life I've been waiting
I don't (13) safe	For you to (26) a (27)
I need to pray	my way
Why do you play me (14) a game?	Been living in a fantasy without meaning (oh!)
Always (15) else to blame	It's not okay
Careless, helpless little man	I (28) feel safe
Someday you (16) understand	I need to pray
There's not much more to say	
But I (17) you (18) a way	
Still I wonder if you know
