ItA's Raining Men by Geri Halliwell

Rough and tough and strong and mean

Fill in the gaps

Humidity is rising	God (5) Mother Nature
Barometer's getting low	She's a (6) woman too
According to our sources	She took over heaven
The street's the place to go	And she did what she had to do
Cause' tonight for the first time	She taught every Angel
Just (1) half past ten	To rearranged the sky
For the first time in history	So that each and every woman
It's gonna start raining men	Could find the perfect guy
It's raining men	It's raining men
Hallelujah	Don't get yourself Weather Girls
It's raining men	I know you want to
Amen	I feel stormy wheather moving in
It's raining men	About to begin
Hallelujah	Hear the thunder
It's raining men	Don't you loose your head
Amen	Rip off the roof and (7) in bed
Humidity is rising	(Rip off the roof and stay)
Barometer's getting low	It's (8) men
According to our sources	Hallelujah
The street's the place to go	It's (9) men
Cause' tonight for the first time	Amen
Just about (2) past ten	It's raining men
For the first time in history	Hallelujah
It's gonna start raining men	It's raining men
It's raining men	Amen
Hallelujah	It's raining men
It's raining men	Hallelujah
Amen	It's raining men
I'm (3) go out	Amen
I'm gonna let myself get	It's raining men
Absolutley soaking wet	Hallelujah
It's (4) men	It's raining men
Hallelujah	Amen
It's raining men	
Every special men
