

## Fill in the gaps

Now red (1) cup 8uis the best receptacle
From barbecues, tailgates, fairs and festivals
And you, sir, do not have a pair of testicles
If you prefer drinking from glass
Hey, red solo cup is (2) and disposable
In fourteen years, (3) are decomposable
And, unlike my home, (4) are not foreclosable
Freddie Mac can kiss my ass, woo!
Red solo cup, I fill you up
Let's have a party, let's (5) a party
I love you red (6) cup, I lift you up
Proceed to party, proceed to party
Now I really love how you're easy to stack
But I really (7) how you're (8) to crack
Cause (9) beer runs (10) in front of my
pack
Well, that, my friends, is (11) yucky
But I have to (12) that the ladies get smitten
Admiring at how sharply my (13) (14)
is written
On you with a Sharpie when I get to hitting
On them, to help me get lucky
Red solo cup, I fill you up
Let's have a party, let's (15) a party
I love you red (16) cup, I lift you up
Proceed to party, proceed to party

But (17) you red (18) do for this fellow
Cause you are the Abbott (19) my Costello
And you are the Fruit to my Loom
Red solo cup, you're more (20) just plastic
You're (21) than amazing, you're (22)
than fantastic
And believe me that I'm not the least bit sarcastic
When I look at you and say:
"Red solo cup, you're not just a cup
(No, no, no, God no)
You're my friend, yeah (Lifelong)
Thank you for (23) my friend"
Red solo cup, I fill you up
Let's (24) a party, let's have a party
I love you red solo cup, I lift you up
Proceed to party, proceed to party
Red solo cup, I fill you up
Let's have a party, let's (25) a party
Let's (26) a party
Red solo cup, I lift you up
Let's have a party, (27) to party
Solo cup, solo cup, solo cup

Now I've seen you in blue and I've seen you in yellow
