## Fix You by Coldplay

## Fill in the gaps

When you try your best but you don't succeed
When you get what you want but not what you need
When you (1) so tired but you can't sleep
Stuck in reverse
When the tears come streaming down your face
When you lose something you can't replace
When you (2) someone but it goes to waste
Could it be worse?
Lights will guide you home
And ignite your bones
And I will try to fix you
High up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth
Lights (3) guide you home
And ignite your bones
And I (4) try to fix you
Tears (5) down your face
When you lose something you cannot replace
Tears stream down your face
And I
Tears stream down (6) face
I promise you I will learn from my mistakes
Tears stream down (7) face
And I
Lights will guide you home
And ignite (8) bones
And I will try to fix you
