And I thought we could be

You were everything, everything that I wanted

Fill in the gaps

My Happy Ending (Live) by Avril Lavigne

So much for my happy ending	We were meant to be, supposed to be
(Oh oh)	But we lost it
Let's (1) this over	And all of the memories, so close to me
It's not like we're dead	Fade away
Was it something I did?	All (4) (5) you were pretending
Was it something you said?	So much for my happy ending
Don't leave me hanging, in a city so dead	It's nice to know that you were there
Held up so high, on such a breakable thread	Thanks for acting like you cared
You were all the things I thought I knew	And making me feel like I was the only one
And I thought we could be	It's nice to know we had it all
You were everything, everything	Thanks for (6) as I fall
That I wanted	Letting me (7) we were done
We were (2) to be, supposed to be	He was (everything that I wanted)
But we lost it (but we lost it)	We were meant to be, supposed to be
And all of the memories, so close to me	But we lost it
Fade away	And all of the memories, so close to me
All this time you were pretending	Fade away
So much for my happy ending	All this time you were pretending
(Oh oh)	So much for my happy (ending)
You've got your dumb friends	You (8) everything, everything (9) I
I know what (3) say	wanted
They tell you I'm difficult	And we were meant to be, supposed to be
But so are they	But we lost it
But they don't know me	All of the memories, so close to me
Do they even know you?	Just (10) away
All the things you hide from me	And all this time you were pretending
All the shit that you do	So much for my happy ending
You were all the things I thought I knew	(Oh oh)
