

And all you're ever going to be is mean

Fill in the gaps

You, (1) your words like knives	Someday I'll be big enough so you can't hit me
And swords and weapons that you use (2)	And all you're ever going to be is mean
me	Why you gotta be so mean?
You, have knocked me off my feet again	And I can see you years from now in a bar
Got me feeling like I'm nothing	Talking over a football game
You, with your voice like nails on a chalkboard	With that same big loud opinion but
Calling me out when I'm wounded	Nobody's listening
You, picking on the weaker man	Washed up and ranting about the same old bitter things
Well you can take me down with just one single blow	Drunk and grumbling on about how I can't sing
But you don't know	But all you are is mean
What you don't know	All you are is mean
Someday I'll be living in a big ol' city	And a liar
And all you're ever going to be is mean	And pathetic
Someday I'll be big enough so you can't hit me	And alone in life
And all you're ever (3) to be is mean	And mean, and mean, and mean
Why you (4) be so mean?	But someday I'll be living in a big ol' city
You, (5) your (6) sides	And all you're ever going to be is mean, yeah
And your wildfire lies and your humiliation	Someday I'll be big enough so you can't hit me
You, have pointed out my flaws again	And all you're ever going to be is mean
As if I don't already see them	Why you gotta be so mean?
I walk with my head down	Someday I'll be living in a big ol' city
Trying to block you out 'cause I'll never impress you	(Why you gotta be so mean?)
I just wanna feel (7) again	And all you're ever going to be is mean
I bet you got pushed around	Why you gotta be so mean?
Somebody made you cold	Someday I'll be big enough so you can't hit me
But the cycle ends right now	(Why you gotta be so mean?)
Cause you can't (8) me down that road	And all you're (9) going to be is mean
And you don't know	Why you gotta be so mean?
What you don't know	
Someday I'll be living in a big ol' city	

- 1. with
- 2. against
- 3. going
- 4. gotta
- 5. with
- 6. switching
- 7. okay
- 8. lead
- 9. ever
