

Someday I'll be living in a big ol' city

And all you're ever going to be is mean

Fill in the gaps

You, (1)	your (2)	(3)	Someday I'll be big enough so you can't hit me	
knives			And all you're ever going to be is mean	
and (4) and weapons that you use against me		Why you gotta be so mean?		
You, have knocked me off my feet again			And I can see you years from now in a bar	
Got me (5) like I'm nothing			Talking (14) a football game	
You, with your voice like nails on a chalkboard			With that same big loud (15)	but
Calling me out when I'm wounded			Nobody's listening	
You, picking on the weaker man			Washed up and ranting about the same old bitter things	
Well you can take me down with just one single blow			Drunk and grumbling on about how I can't sing	
But you don't know			But all you are is mean	
What you don't know			All you are is mean	
Someday I'll be living in a big ol' city			And a liar	
And all you're (6) going to be is mean			And pathetic	
Someday I'll be big enough so you can't hit me			And alone in life	
And all you're ever (7) to be is mean			And mean, and mean, and mean	
Why you gotta be so mean?			But someday I'll be (16)	in a big ol' city
You, with your switching sides			And all you're (17) going to	be is mean, yeah
And your (8) lies and your humiliation			Someday I'll be big enough so you can't hit me	
You, (9) pointed out my (10) again			And all you're ever going to be is mean	
As if I don't (11) see them			Why you gotta be so mean?	
walk with my head down			Someday I'll be living in a big ol' city	
Trying to block you out 'cause I'll (12) impress			(Why you gotta be so mean?)	
you			And all you're ever going to be is mean	
l just wanna feel c	okay again		Why you (18) be so mean	1?
bet you got pushed around			Someday I'll be big (19)	so you can't hit me
Somebody made you cold			(Why you (20) be so mea	n?)
But the cycle ends (13) now			And all you're ever going to be is mean	
Cause you can't lead me down that road			Why you (21) be so mean	1?
And you don't kno	ow			
What you don't kn	now
