

And all you're ever going to be is mean

## Fill in the gaps

You, with your words like knives	Someday I'll be big (7) so you can't hit me
And swords and weapons that you use against me	And all you're ever going to be is mean
You, have knocked me off my feet again	Why you gotta be so mean?
Got me feeling like I'm nothing	And I can see you years from now in a bar
You, (1) your voice (2) nails on a	Talking over a football game
chalkboard	With that same big loud opinion but
Calling me out when I'm wounded	Nobody's listening
You, picking on the weaker man	Washed up and ranting about the (8) old bitte
Well you can take me down with just one single blow	things
But you don't know	Drunk and grumbling on about how I can't sing
What you don't know	But all you are is mean
Someday I'll be living in a big ol' city	All you are is mean
And all you're ever going to be is mean	And a liar
Someday I'll be big enough so you can't hit me	And pathetic
And all you're ever going to be is mean	And alone in life
Why you gotta be so mean?	And mean, and mean, and mean
You, (3) your switching sides	But someday I'll be living in a big ol' city
And your wildfire lies and (4) humiliation	And all you're ever going to be is mean, yeah
You, have pointed out my flaws again	Someday I'll be big enough so you can't hit me
As if I don't already see them	And all you're ever going to be is mean
I walk with my head down	Why you gotta be so mean?
Trying to block you out 'cause I'll (5) impress	Someday I'll be living in a big ol' city
you	(Why you gotta be so mean?)
I just wanna feel okay again	And all you're ever going to be is mean
I bet you got pushed around	Why you gotta be so mean?
Somebody (6) you cold	Someday I'll be big enough so you can't hit me
But the cycle ends right now	(Why you gotta be so mean?)
Cause you can't lead me down that road	And all you're (9) (10) to be is mean
And you don't know	Why you gotta be so mean?
What you don't know	
Someday I'll be living in a big ol' city
