

Fill in the gaps

So Far Away by Avenged Sevenfold

Never feared for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to hear the broken heart (1) all that it could	Sleep tight, I'm not afraid
Lived a life so endlessly	The ones (15) we love are (16)
Saw beyond (2) (3) see	(17) me
I (4) to heal your broken heart	Lay away a place for me
With all that I could	'Cause as soon as I'm done I'll be on my way
Will you stay?	To live eternally
Will you stay (5) forever?	How do I (18) the
How do I live without the ones I love?	(20) I love?
Time (6) turns the pages of the book it's burned	Time still (21) the (22) of the book
Place and (7) always on my mind	it's burned
I (8) so (9) to say but you're so far away	Place and time always on my mind
Plans of what our (10) hold	And the light you left remains but it's so hard to stay
Foolish lies of growing old	When I have so much to say and you're so far away
It seems we're so invincible	l (23) you
The truth is so cold	You (24) ready
A final song, a last request	The pain is strong and urges rise
A perfect chapter (11) to rest	But I'll see you
Now and then I try to find a (12) in my mind	You'll let me
Where you can stay	Your pain is gone, (25) hands are tied
You can (13) awake forever	So far away
How do I live (14) the ones I love?	And I need you to know
Time still turns the pages of the book it's burned	So far away
	And I (26) you to need you to know
