I don't think that passenge		Born on the seventeenth				
Has ever (1)	this good to me		His sister's beautiful			
He tells me about his night			He has his father's eyes			
And I count the colors in his eyes			And if you ask me if I love him			
He'll never fall in love, he swears			I'd lie			
As he runs his fingers thro		He stands there, then walks away				
I'm (2)	_ 'cause I hope he's wrong		My God, if I	(6)	_ only say	
And I don't think it ever crossed his mind			"I'm holding	(7)	breath for you"	
He tells a joke, I fake a smile			He'd never t	ell you		
But I (3) all his	favorite songs		But he can	(8)(8)	guitar	
And I could tell you			I think he can see through			
His favorite color's green			Everything but my heart			
He loves to argue			First (9)		(10)	I wake up
Born on the seventeenth			Is "My God he's beautiful"			
His sister's beautiful			So I put on my make-up			
He has his father's eyes			And pray for a miracle			
And if you ask if I love him			Yes, I could tell you			
I'd lie			His favorite color's green			
He looks around the room			And he loves to argue			
Innocently overlooks the truth			Oh, and it kills me			
Shouldn't a light go on			His sister's beautiful			
Doesn't he know that			He has his father's eyes			
I've had him memorized for so long and			And if you ask me if I love him			
He sees everything black and white			Don't you ask me if I love him			
Never let nobody see him cry			'Cos I'd lie			
I don't let nobody see me	wishing he was mine					
I (4) tell you	ı his (5)	color's
