

Doesn't really feel like Christmas at all

## Fill in the gaps

## Christmas Lights (Live) by Coldplay

Christmas night	Still waiting for the snow to fall
Another fight	It doesn't really feel like Christmas at all
Fears we cried a flood	Those Christmas lights
Got all kinds of poison in	Light up the street
Poison in my blood	Down where the sea and (3) meet
took my feet	May all your (4) soon be gone
To Oxford Street	Oh Christmas lights keep (5) on
lust try to right a wrong	Those Christmas lights
Valk away	Light up the street
Those (1) say	Maybe they'll bring her back to me
But I can't believe she's gone	Then all my troubles (6) be gone
When you're still waiting for the snow to fall	Oh Christmas lights keep (7) on
Doesn't really feel like Christmas at all	(Oh oh oh oh oh oh)
Jp above candles on air flicker	Those Christmas lights
Oh they flicker and they float	Light up the street
But I'm up here holding on	Light up the (8) in me
To all those chandeliers of hope	May all your troubles soon be gone
Like some drunken (2) singing	Oh Christmas lights (9) shining on
go singing out of tune	Happy Christmas everybody
Saying how I always loved you darling	
And I always will	
Oh when you're still waiting for the snow to fall
