### I Won't Let You Go by James Morrison

When it's black		And if your sky is falling	
Take a little time to hold yourself		Just take my (7) and (8) in	t
Take a little (1) to feel around		You don't have to be alone, alone, yeah	
Before it's gone		I won't let you go	
You won't let go		(Won't let you go, won't let you go)	
But you (2)	keep on falling down	And if you feel the fading of the light	
Remember how you saved me now		And you're too weak to carry on the fight	
From all of my wrongs, yeah		And all your friends that you count on	
And if there's love just feel it		Have disappeared	
And if there's life we'll see it		I'll be here, not gone, forever, (9)	on, oh
This is no (3) to be alone, alone, yeah		And if there's love just feel it	
I won't let you go		And if there's life we'll see it	
Say those words		This is no time to be alone, alone, yeah	
Say (4) words like there's nothing else		I won't let you go	
Close (5) eyes and you might believe		(Won't let you go, won't let you go)	
That there is some way out		And if your sky is falling	
Open up		Just take my hand and hold it	
Open up your heart to me now		You don't have to be alone, alone, yeah	
Let it all come pouring out		I won't let you go	
There's (6)	I can't take	(Won't let you go, won't let you go)	
And if there's love just feel it		I won't let you go, No I won't let	
And if there's life we'll see it		I won't let you go, No I won't let	
This is no time to be alone, alone, yeah		I won't let you go, No I won't let you go	
I won't let you go			
(Won't let you go, wo	on't let you go)
