## Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
In the (1) sky are like shooting stars?	Before this was a job, before I got paid
I could really use a wish right now	Before it ever mattered what I had in my bank
Wish right now, wish right now	Yeah, back when I was trying to get a tip at subway
Can we pretend (2) airplanes	And back when I was rapping for the hell of it
In the night sky are like shooting stars?	But now a days we rapping to stay relevant
I could really use a wish right now	I'm guessing that if we can make
Wish right now, wish right now	Some wishes outta airplanes
Yeah, I could use a dream or a genie or a wish	Then (7) yo maybe I'll go back to the days
To go back to a place much simpler than this	Before the politics that we call the rap game
'Cause after all the partying and smashing and crashing	And back when ain't nobody listened to my mix tape
And all the glitz and the glam and the fashion	And back before I tried to cover up my slang
And all the (3) and all the	But this is for the Cada, what's up Bobby Ray?
madness	So can I get a wish to end the politics
There comes a time where you fade to the blackness	And get back to the music that started this
And when you're staring at that phone in your lap	So here I stand and then again I say
And you hoping but them people never (4) you	I'm hoping we can make some wishes outta airplanes
back	Can we pretend that airplanes
But that's just how the story unfolds	In the night sky are like shooting stars?
You get another hand soon after you fold	I (8) really use a wish right now
And when your plans unravel	Wish right now, wish right now
And they saying (5) would you wish for	Can we pretend that airplanes
If you had one chance?	In the night sky are like shooting stars?
So airplane airplane sorry I'm late	I could really use a wish right now
I'm on my way so don't close that gate	Wish right now, wish right now
If I don't make that then I'll switch my flight	I could really use a wish right now
And I'll be right back at it by the end of the night	I could really use a wish right now
Can we pretend that airplanes	Like like (9) shooting stars
In the night sky are like (6) stars?	I could (10) use a wish right now
I could really use a wish right now	A wish a wish right now
Wish right now, wish right now	
Can we pretend that airplanes
