## Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
In the night sky are like (1) stars?	Before (13) was a job, before I got paid
I could really use a wish right now	Before it (14) mattered what I had in my bank
Wish right now, wish right now	Yeah, back when I was (15) to get a tip a
Can we pretend that airplanes	subway
In the night sky are like shooting stars?	And back when I was rapping for the hell of it
I could really use a wish right now	But now a days we rapping to stay relevant
Wish right now, wish right now	I'm (16) that if we can make
Yeah, I could use a dream or a (2) or a wish	Some wishes outta airplanes
To go (3) to a place much simpler than this	Then maybe yo maybe I'll go back to the days
'Cause after all the partying and smashing and crashing	Before the politics that we call the rap game
And all the glitz and the glam and the fashion	And back (17) ain't nobody listened to my mix tape
And all the pandemonium and all the madness	And back before I (18) to cover up my slang
There comes a time where you fade to the blackness	But this is for the Cada, what's up Bobby Ray?
And when you're staring at that phone in (4) lap	So can I get a wish to end the politics
And you hoping but them people never call you back	And get back to the music (19)
But that's just how the story unfolds	(20) this
You get another hand soon after you fold	So here I stand and (21) again I say
And when your (5) unravel	I'm (22) we can (23) some wishes
And they saying what would you (6) for	outta airplanes
If you had one chance?	Can we pretend that airplanes
So airplane airplane (7) I'm late	In the night sky are like (24) stars?
I'm on my way so don't close that gate	I could really use a wish right now
If I don't make that then I'll switch my flight	Wish right now, wish right now
And I'll be right back at it by the end of the night	Can we (25) that airplanes
Can we pretend (8) airplanes	In the night sky are like shooting stars?
In the night sky are (9) shooting stars?	I could really use a (26) (27) now
I could (10) use a wish right now	Wish right now, wish right now
Wish right now, (11) right now	I could really use a wish right now
Can we pretend that airplanes	I could really use a wish right now
In the night sky are like shooting stars?	Like (28) like shooting stars
I could really use a wish right now	I could really use a (29) right now
Wish right now, wish (12) now	A wish a wish right now
