

## Fill in the gaps

Now I (1) tell you (2) I've done for you	I'm going under
Fifty (3) tears I've cried	Drowning you
Screaming deceiving and bleeding for you	I'm falling forever
And you still won't (4) me (going under)	I've got to break through
Don't want (5) hand this time I'll save myself	l'm
Maybe I'll (6) up for once (wake up for once)	So go on and scream
Not tormented daily defeated by you	Scream at me I'm so far away
Just when I thought I'd reached the bottom	I won't be broken again
I'm dying again	I've got to breathe
I'm (7) under	I can't keep going under
Drowning you	I'm dying again
I'm falling forever	I'm going under (going under)
I've got to break through	Drowning you (drowning you)
I'm going under	I'm falling forever (falling forever)
Blurring and stirring the truth and the lies	I've got to break through
(So I don't know what's real)	I'm (8) under (going under)
So I don't know what's real and what's not ()	Going under (drowning you)
Always confusing the thoughts in my head	I'm going under
So I can't trust myself anymore	
I'm dying again
