When You're Gone by Avril Lavigne

I (1) needed time on my own	The pieces of my heart are missing you
I never thought I'd need you there when I cry	When you're gone
And the days feel like years when I'm alone	The face I came to know is missing too
And the bed where you lie is made up on (2) side	When you're gone
When you walk away I count the (3)	The words I need to hear to always get me
(4) you take	(6) the day and make it ok
Do you see how much I need you right now	I miss you
When you're gone	We were made for each other
The pieces of my heart are missing you	Out here forever
When you're gone	I know we were, yeah!
The face I came to know is missing too	All I ever wanted was for you to know
When you're gone	Everything I do, I'd (7) my (8) and
The words I need to hear to always get me through the day	soul
and make it ok	I can hardly breathe I need to (9) you here with
I miss you	me, yeah!
I've never felt this way before	When you're gone
Everything that I do reminds me of you	The pieces of my heart are missing you
And the clothes you left, they lie on the floor	When you're gone
And they smell just like you, I love the things (5)	The face I came to know is missing too
you do	When you're gone
When you walk away I count the steps that you take	The (10) I need to hear will always get me
Do you see how much I need you right now	through the day and make it ok
When you're gone	I miss you
