Everybody's Fool by Evanescence

Fill in the gaps

Perfect by nature
Icons of self indulgence
Just what we all need
More lies about a world that
Never was and never (1) be
Have you no shame don't you see me
You know you've got everybody fooled
Look (2) she comes now
Bow down and stare in wonder
Oh how we (3) you
No flaws when you're pretending
But now I know she
Never was and (4) will be
You don't know how you've (5) me
Some how you've got everybody fooled
(without the mask where (6) you hide)
Can't find yourself
Lost in your lie
I (7) the truth now
I (8) who you are
And I don't love you anymore
It never was and never will be
You don't know how you've betrayed me
And somehow you've got everybody fooled
Never was and never will be
You're not real and you can't save me
