Everybody's Fool by Evanescence

Fill in the gaps

Perfect by nature
Icons of self indulgence
Just what we all need
More (1) about a (2) that
Never was and never will be
Have you no (3) don't you see me
You (4) you've got everybody fooled
Look here she comes now
Bow (5) and stare in wonder
Oh how we love you
No flaws when you're pretending
But now I know she
Never was and never will be
You don't know how you've betrayed me
Some how you've got (6) fooled
(without the mask where (7) you hide)
Can't find yourself
Lost in (8) lie
I know the truth now
I know who you are
And I don't love you anymore
It never was and never will be
You don't know how you've betrayed me
And somehow you've got (9) fooled
Never was and never (10) be
You're not real and you can't save me
Somehow now you're everybody's fool
