

Fill in the gaps

Do what you want	Hello, hello, remember me?
If you have a dream for better	I'm everything you can't control
Do what you want	Somewhere beyond the pain
Till you don't (1) it anymore	There must be a way to believe
(Remember who you really are)	There's still time
Do (2) you what you want	Close your eyes
Your world's closing in on you now	Only love will guide you home
(It isn't over)	Tear down the walls and free your soul
Stand and face the unknown	Till we (5) we're forever spiraling down
(Got to remember who you (3) are)	Down, down, down
Every heart in my hands like a pale reflection	Hello, hello
Hello, hello, remember me?	It's only me infecting everything you love
I'm everything you can't control	Somewhere beyond the pain
Somewhere beyond the pain	There (6) be a way to believe
There must be a way to believe we can break through	Hello, hello, remember me?
Do what you want	I'm everything you (7) control
You (4) have to lay your life down	Somewhere beyond the pain
(It isn't over)	There must be a way to (8) forgiveness
Do what you what you want	Hello, hello, remember me?
Till you find what you're looking for	I'm everything you can't control
(Got to remember who you really are)	Somewhere beyond the pain
But every hour slipping by screams	There must be a way to believe
That I have failed you	We can break through
Hello, hello, remember me?	(Remember who you really are)
I'm everything you can't control	Do what you (9) you want
Somewhere beyond the pain there	
Must be a way to believe
