

Fill in the gaps

Do what you (1) you want	Hello, hello, remember me?
If you have a dream for better	l'm (15) you can't control
Do what you want	Somewhere beyond the pain
Till you don't want it anymore	There must be a way to believe
(Remember who you really are)	There's (16) time
Do what you want	Close (17) eyes
Your (2) closing in on you now	Only love will guide you home
(It isn't over)	Tear (18) the (19) and free
Stand and (3) the unknown	(20) soul
(Got to (4) who you really are)	Till we crash we're forever spiraling down
Every (5) in my hands (6) a pale	Down, down, down
reflection	Hello, hello
Hello, hello, remember me?	It's only me infecting everything you love
I'm everything you can't control	Somewhere beyond the pain
Somewhere (7) the pain	There must be a way to believe
There must be a way to (8) we can break	Hello, hello, remember me?
through	l'm (21) you can't control
Do (9) you what you want	Somewhere beyond the pain
You (10) have to lay your life down	There must be a way to learn forgiveness
(It isn't over)	Hello, hello, remember me?
Do what you (11) you want	I'm (22) you can't control
Till you find what you're (12) for	Somewhere (23) the pain
(Got to (13) who you really are)	There must be a way to believe
But every hour slipping by screams	We can (24) through
That I have failed you	(Remember who you really are)
Hello, hello, remember me?	Do (25) you (26) you want
I'm everything you (14) control	
Somewhere beyond the pain there	
Must be a way to believe
