Do what you what you want		Hello, hello, remember me?	
If you (1) a dream for better		I'm everything you can't control	
Do what you what you want		Somewhere beyond the pain	
Till you don't want it anymore		There must be a way to believe	
(Remember who you really are)		There's still time	
Do (2) you what you want		Close your eyes	
Your world's closing in on you now		Only love will guide you home	
(It isn't over)		Tear down the walls and (7)	_ your soul
Stand and face the unknown		Till we crash we're (8)	spiraling down
(Got to remember who you really are)		Down, down, down	
Every heart in my hands like a pale reflection		Hello, hello	
Hello, hello, (3) me?		It's only me (9)	everything you love
I'm everything you can't control		Somewhere beyond the pain	
Somewhere beyond the pain		There must be a way to believe	
There must be a way to (4)	we can break	Hello, hello, remember me?	
through		I'm everything you (10)	control
Do what you what you want		Somewhere beyond the pain	
You don't have to lay your life down		There must be a way to learn forgiven	ness
(It isn't over)		Hello, hello, remember me?	
Do what you what you want		I'm everything you can't control	
Till you find what you're looking for		Somewhere beyond the pain	
(Got to remember who you really are)		There must be a way to believe	
But every hour slipping by screams		We can break through	
That I have failed you		(Remember who you really are)	
Hello, hello, (5) me?		Do what you what you want	
I'm everything you can't control			
Somewhere beyond the (6) there
