

## Fill in the gaps

Lithium, don't want to lock me up inside
Lithium, don't want to forget how it feels without
Lithium, I (1) to stay in love with my sorrow
(Oh) but God I want to let it go
Come to bed, don't make me sleep alone
Couldn't hide the emptiness, you let it show
Never wanted it to be so cold
Just didn't drink enough to say you love me
I can't (2) on to me
Wonder what's wrong with me
Lithium, don't want to lock me up inside
Lithium, don't want to forget how it (3) without
Lithium, I want to stay in love with my sorrow
Don't want to let it lay me down this time
Drown my will to fly

Here in the darkness I know myself
Can't (4) free (5) I let it go
Let me go
Darling, I forgive you after all
Anything is better than to be alone
And in the end I guess I had to fall
Always (6) my place among the ashes
I can't hold on to me
Wonder what's wrong with me
Lithium, don't (7) to lock me up inside
Lithium, don't want to forget how it (8) without
Lithium, (9) in love with me
(Oh) I'm gonna let it go
