Fill in the gaps

Someone Like You (Studio) by Adele

I heard		I'd hoped you'd see my face	
That you're settled down		And that you'd be reminded that for me	
That you found a girl		It isn't over, yeah	
And you're married now		Never mind I'll find someone like you	
I heard		I wish nothing but the (7) for you too	
That your (1)	came true	Don't forget me, I beg	
Guess she gave you things I didn't give to you		I remember you say	
		Sometimes it lasts in love	
Old friend		But sometimes it hurts instead	
Why are you so shy		Sometimes it lasts in love	
It ain't like you to hold back		But sometimes it (8)	instead, yeah
Or hide from the light		Nothing compares, no worries or cares	
I hate to turn up out of the blue uninvited		Regrets and mistakes they're memories made	
But I couldn't stay away I couldn't fight it		Who would have known how	
I'd hoped you'd see my face		Bittersweet this would taste	
And that you'd be reminded that for me		Never mind I'll find someone like you	
It isn't over		I wish nothing but the best for you	
Never mind, I'll find someone like you		Don't forget me, I beg	
I (2) nothing but the best for you too		I remember you say	
Don't forget me, I beg		Sometimes it lasts in love	
I remember you say		But sometimes it hurts instead	
Sometimes it lasts in love		Never mind I'll find (9) like you	
But sometimes it hurts instead		I wish nothing but the best for you too	
Sometimes it lasts in love		Don't forget me, I beg	
But (3)	_ it hurts instead, yeah	I remember you say	
You'd know how the time flies		Sometimes it lasts in love	
Only yesterday was the time of our lives		But sometimes it hurts instead	
We were born and raised		Sometimes it lasts in love	
In a summer haze		But (10)	it hurts instead
Bound by the suprise of our glory days		Yeah, yeah	
I hate to (4) up out of the blue uninvited			
But I couldn't (5) a	iway		
I couldn't (6) it			

- 1. dreams
