Fill in the gaps

Someone Like You (Studio) by Adele

I neard	I'd hoped you'd see my face
That you're settled down	And that you'd be reminded that for me
That you found a girl	It isn't over, yeah
And you're (1) now	Never mind I'll find (12) like you
I heard	I wish nothing but the best for you too
That your dreams came true	Don't (13) me, I beg
Guess she (2) you things	I (14) you say
I didn't give to you	Sometimes it lasts in love
Old friend	But sometimes it (15) instead
Why are you so shy	Sometimes it lasts in love
It ain't like you to (3) back	But sometimes it hurts instead, yeah
Or hide from the light	Nothing compares, no worries or cares
I hate to (4) up out of the blue uninvited	Regrets and mistakes they're memories made
But I couldn't stay away I couldn't fight it	Who (16) have known how
I'd hoped you'd see my face	Bittersweet this would taste
And (5) you'd be reminded that for me	Never (17) I'll find someone like you
It isn't over	I wish nothing but the best for you
Never mind, I'll (6) someone like you	Don't forget me, I beg
I (7) nothing but the best for you too	I (18) you say
Don't forget me, I beg	Sometimes it lasts in love
I remember you say	But sometimes it (19) instead
Sometimes it lasts in love	Never (20) I'll (21) someone
But sometimes it hurts instead	(22) you
Sometimes it lasts in love	I (23) but the best for you
But (8) it hurts instead, yeah	too
You'd know how the time flies	Don't (25) me, I beg
Only yesterday was the (9) of our lives	I remember you say
We (10) born and raised	Sometimes it lasts in love
In a summer haze	But sometimes it hurts instead
Bound by the suprise of our glory days	Sometimes it lasts in love
I hate to (11) up out of the blue uninvited	But (26) it hurts instead
But I couldn't stay away	Yeah, yeah
I couldn't fight it
