| The sun that shines (1) you                  | No nothing really matters                   |
| Make the blue birds sing                     | But the love you bring                      |
| The stars that (2) wake up in the sky        | You're my everything                        |
| Tell me I'm in love                          | To see you in the morning                   |
| When I kiss your lips                        | With those big (12) eyes                    |

| And all the while my (5) is in a spin        | You're my everything                        |
| Deep (6) I'm in love                         | You never have to worry                     |
| You're my everything                         | Never fear for I am near                    |
| And nothing really matters                   | When I (13) you tight                       |
| But the (7) you bring                        | There's nothing (14) can (15) you           |
| You're my everything                         | In the lonely night                         |
| To see you in the morning                    | l'll (16) to you and (17) you               |
| With those big brown eyes                    | (18) and warm                               |
| You're my everything                         | It's so strong my love                      |
| Forever and a day I (8) you close to me      | When I kiss your lips                       |
| You're my everything                         | I feel the roaring thunder to my fingertips |
| You never have to worry                      | And all the (19) my head is in a spin       |
| Never fear for I am near                     | Deep within I'm in love                     |
| For my everything                            |   |
