## Prayer Of The Refugee by Rise Against

in.

Warm yourself by the fire, son	I don't need your help now
And the morning will come soon	You will let me down, down, down!
I'll tell you stories of a better time	So open your eyes child
In a place (1) we once knew	Let's be on our way
Before we packed our bags	Broken windows and ashes
And left all this behind us in the dust	Are guiding the way
We had a place that we could call home	Keep quiet no longer
And a life no one could touch	We'll (6) through the day
Don't hold me up now	Of the lives that we've lost
I can stand my own ground	And the (7) we've reclaimed
I don't need your help now	Don't hold me up now
You will let me down, down, down!	I can stand my own ground
Don't hold me up now	I don't need your help now
I can stand my own ground	You will let me down, down, down!
I don't need your help now	Don't hold me up now
