

Fill in the gaps

You were my conscious
So silent, now you're (1) water
And we started drowning
Not like we'd sink any farther
But I let my heart go
It's somewhere down at the bottom
But I'll get a new one
And come back for the hope that you've stolen
I'll stop the (2) world
I'll (3) the (4) world
From turning into a monster
And eating us alive
Don't you (5) wonder how we've survived?
Well now that you're gone
The world is ours
I'm only human
I've got a skeleton in me
But I'm not the villain
Despite (6) you're always preaching
Call me a traitor
I'm just collecting (7) victims
And they're getting stronger
I hear them calling (Calling)
They're calling
I'll stop the whole world
I'll stop the whole world

From turning into a monster
And (8) us alive
Don't you ever (9) how we've survived?
Well now that you're gone
The world is ours
Well you'd better (10) in solutions
But I liked the attention
And not always knowing the answers
But you're (11) it
You're (13) it
I'll stop the (15) world (Whole world)
I'll stop the whole world
From turning into a monster
And eating us alive
Don't you ever (16) how we've survived?
Well now that you're gone
The world
I'll stop the (17) world (Whole world)
I'll (18) the whole world
From (19) into a monster
And eating us alive
Don't you (20) wonder how we've survived?
Now (21) you're gone
The (22) is ours
