

You were my conscious

Fill in the gaps

So silent, now you're like water
And we started drowning
Not like we'd sink any farther
But I let my heart go
It's somewhere down at the bottom
But I'll get a new one
And (1) back for the hope that you've stolen
I'll stop the whole world
I'll stop the whole world
From turning into a monster
And eating us alive
Don't you ever wonder how we've survived?
Well now that you're gone
The world is ours
I'm only human
I've got a skeleton in me
But I'm not the villain
Despite what you're (2) preaching
Call me a traitor
I'm just collecting your victims
And they're getting stronger
I (3) them calling (Calling)
They're calling
I'll stop the whole world
I'll stop the whole world

From turning into a monster
And eating us alive
Don't you (4) wonder how we've survived'
Well now that you're gone
The world is ours
Well you'd better strength in solutions
But I liked the attention
And not always (5) the answers
But you're (6) lose it
You're gonna lose it
I'll stop the (7) world (Whole world)
I'll (8) the whole world
From turning into a monster
And eating us alive
Don't you ever wonder how we've survived?
Well now (9) you're gone
The world
I'll stop the whole world (Whole world)
I'll stop the whole world
From (10) into a monster
And eating us alive
Don't you ever wonder how we've survived?
Now that you're gone
The world is ours
