

Fill in the gaps

Didn't they say that I would make a mistake
Didn't they say you were gonna be trouble
People (1) me you were too much to take
I could see it, I didn't (2) know
I let you in and you let me down
You pushed me up and you turned my whole (3)
around
I could feel that I had no where to go
I was alone, how was I too (4) that
You'll be there, when I needed somebody
You'll be there, the only one who can help me
I had a picture of you in my mind
never knew it could be so wrong
Why'd it take me so long just to find
the friend that was there all along.
Who'd believe that after all we've been through
I'd be able to put my whole trust in you

Goes to show you can't forgive and forget
looking back, I have no regrets cause
You will be there, when I (5)
(6)
You will be there, the only one to (7) me
I had a picture of you in my mind
Never knew it could be so wrong
Why'd it take me so long (8) to find
the friend that was there all along
You will be there, when I (9) somebody
You will be there, the only one to help me
I had a (10) of you in my mind
never knew it could be so wrong
Why'd it take me so long just to find
the friend that was there all along
