

## Fill in the gaps

Came in from a rainy Thursday on the avenue	Somehow I have to find
Thought I heard you (1) softly	And as I try to make my way
I (2) on the lights, the TV, and the radio	To the (12) world
Still I can't escape the ghost of you	I (13) to survive
What has happened to it all?	
Crazy someone say	Papers in the roadside tell of (15) and
Where is the life (3) I recognize?	greed
(Gone away)	Fear today, forgot tomorrow
But I won't cry for yesterday	(Oh)
There's an ordinary world	Besides the news of (16) war and (17)
Somehow I (4) to find	need
And as I try to (5) my way	Ours is just a little sorrowed talk
To the ordinary world	And I don't cry for yesterday
I (6) learn to survive	There's an (18) world
Passion or coincidence (7) (8)	Somehow I have to find
you to say	And as I try to make my way
"Pride (9) us both apart"	To the ordinary world
Well now pride's gone out the window	I (19) to survive
Cross the rooftops, run away	Every world
Left me in the (11) of my heart	is my world (I will learn to survive)
What is happening to me?	Any world
Crazy someone say	is my world (I (21) learn to survive)
Where is my friend when I need you most?	Any world!
Gone away	(is my world)
But I won't cry for yesterday	
There's an ordinary world
