

Fill in the gaps

Came in (1) a rainy Thursday on the avenue			Somehow I have to find		
Thought I heard you	ught I heard you (2) softly			And as I try to make my way	
I turned on the lights, the TV, and the radio				To the (8)	world
Still I can't escape the ghost of you				I will learn to survive	
What has happened to it all?					
Crazy (3) say				Papers in the roadside tell of suffering and greed	
Where is the life that I recognize?				Fear today, (9)	tomorrow
(Gone away)				(Oh)	
But I won't cry for yesterday				Besides the news of holy war and holy need	
There's an ordinary world				Ours is just a little sorrowed talk	
Somehow I (4) to find				And I don't cry for yesterday	
And as I try to make my way				There's an ordinary world	
To the ordinary world				Somehow I have to find	
I will learn to survive				And as I try to make my way	
Passion or coincidence once (5) you to				To the ordinary world	
say				I will learn to survive	
"Pride will tear us both apart"				Every world	
Well now pride's gone out the window				is my world (I will learn to survive)	
Cross the rooftops, run away				Any world	
Left me in the (6) of my heart			is my (10) (I will learn to survive)		
What is happening to me?				Any world!	
Crazy (7) say			(is my world)		
Where is my friend	when I need you	most?			
Gone away					
But I won't cry for ye	esterday				
There's an ordinary	world
