

## Fill in the gaps

## Aftermath (Acoustic) by Adam Lambert

Have you lost your way?	Into the colours that you seek
Living in the shadow of the messes that you made	You give back what you give away
And so it goes	So don't look back on yesterday
Everything inside your circle (1) to overflow	Wanna scream out no more hiding
Take a step before you leap	Don't be afraid of what's inside
Into the colours that you seek	Gonna tell ya you'll be (8) in the Aftermath
You give back what you give away	Anytime anybody pulls you down
So don't look (2) on yesterday	Anytime anybody says you're not allowed
Wanna scream out no (3) hiding	Just remember you are not alone In the Aftermath
Don't be afraid of what's inside	Before you break you (9) to shed your armor
Gonna tell ya you'll be alright in the Aftermath	Take a trip and fall into the glitter
Anytime anybody (4) you down	Tell a stranger that they're beautiful
Anytime anybody says you're not allowed	So all you feel is love, love
Just (5) you are not alone In the	All you feel is love, love
Aftermath	Anytime anybody pulls you down
And you feel the weight	Anytime anybody says you're not allowed
Of lies and contradictions that you live (6) every	Just remember you are not alone
day	In the Aftermath
No It's not too late	
Just think of (7) could be	
If you rewrite the role you play	
Take a step before you leap
