

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost your way?	Into the colours (15) you seek
Living in the shadow of the messes that you made	You (16) (17) (18) you
And so it goes	(19) away
Everything inside (1) (2) starts to	So don't look back on yesterday
overflow	Wanna scream out no (20) hiding
Take a step before you leap	Don't be (21) of what's inside
Into the colours (3) you seek	Gonna tell ya you'll be (22) in the Aftermath
You give back what you (4) away	Anytime anybody pulls you down
So don't (5) back on yesterday	Anytime anybody (23) you're not allowed
Wanna (6) out no more hiding	Just remember you are not (24) In the Aftermath
Don't be afraid of what's inside	Before you break you have to (25) your armor
Gonna (7) ya you'll be alright in the Aftermath	Take a trip and (26) into the glitter
Anytime anybody pulls you down	Tell a (27) that they're beautiful
Anytime (8) (9) you're not	So all you feel is love, love
allowed	All you feel is love, love
Just remember you are not alone In the Aftermath	Anytime anybody pulls you down
And you (10) the weight	Anytime anybody (28) you're not allowed
Of lies and (11)	Just remember you are not alone
(12) you live with (13) day	In the Aftermath
No It's not too late	
Just think of what could be	
If you rewrite the role you play	
Take a step (14) you leap
