Take a step before you leap

Fill in the gaps

Aftermath (Acoustic) by Adam Lambert

Have you lost your way?	Into the colours that you seek
Living in the shadow of the messes that you made	You give back what you (6) away
And so it goes	So don't look back on yesterday
Everything (1) your circle starts to overflow	Wanna scream out no more hiding
Take a step before you leap	Don't be (7) of what's inside
Into the colours that you seek	Gonna tell ya you'll be alright in the Aftermath
You give back what you give away	Anytime anybody pulls you down
So don't look back on yesterday	Anytime anybody says you're not allowed
Wanna scream out no more hiding	Just remember you are not (8) In the Aftermath
Don't be afraid of what's inside	Before you break you (9) to shed your armor
Gonna (2) ya you'll be alright in the Aftermath	Take a trip and fall into the glitter
Anytime anybody pulls you down	Tell a stranger (10) they're beautiful
Anytime anybody says you're not allowed	So all you feel is love, love
Just remember you are not (3) In the Aftermath	All you feel is love, love
And you feel the weight	Anytime anybody pulls you down
Of lies and contradictions that you live with every day	Anytime anybody says you're not allowed
No It's not too late	Just remember you are not alone
Just think of (4) could be	In the Aftermath
