

Fill in the gaps

There's a storm (1) up	I'm feeling helpless
And I gotta prepare myself	So hysterical, and this can't be healthy
Cause this felling's	I can't eat or sleep
Getting stronger everyday	When you're not with me
Something's (2) inside	Baby, you're the air I breathe
Everything is about to change	This is critical, yeah
Gotta face the fact	So stuck on you
That I can't walk away	Used to run and hide
This is critical	Used to bend our love
I am feeling helpless	But I can't escape this time
So hysterical, and (3) can't be healthy	Oh no
I can't eat or sleep	This is critical
When you're not with me	I am (8) helpless
Baby, you're the air I breathe	So hysterical, and (9) can't be healthy
This is critical, yeah	I can't eat or sleep
So stuck on you	When you're not (10) me
Used to have (4)	You're the air I breathe
(5) out	This is critical, yeah
But it's different now	Baby it's so critical
When you came, you saw	It's so critical, yeah
You conquered my heart	It's so critical
It's your laugh and (6) smile	It's so critical, yeah
Wanna stay for a little while	So stuck on you
I don't wanna go	
I just (7) you in my arms	
This is critical
