Butterfly Fly Away by Miley Cyrus & Billy Ray Cyrus

You tucked me in, turned out the light	Butterfly fly away
	• • •
Kept me (1) and sound at night	Butterfly fly away, butterfly fly away
Little girls (2) on things like that	We've been waiting for (7) day
You brushed my teeth and (3) my hair	Take (8) dreams and make them all come true
Had to drive me everywhere	Butterfly fly away, butterfly fly away
You were always there (4) I looked back	We've (9) waiting for this day
You had to do it all alone	All along and knowing just what to do
Make a living, make a home	Butterfly, butterfly, butterfly fly away
Must have been as hard as it could be	Butterfly fly away
And (5) I couldn't sleep at night	Butterfly fly away
Scared things wouldn't turn out right	(Oh)
You would (6) my hand and sing to me	Oh, I hope you find your way
Caterpillar in the tree	And all the things you wish, you (10) and care
How you wonder who you'll be	about
Can't go far but you can always dream	Oh, I hope you find your way
Wish you may and wish you might	
Don't you worry, hold on tight	Butterfly Fly Away
I promise you there will come a day
