

## Fill in the gaps

I couldn't tell you	Where she belongs
Why she felt that way	She (8) to go home, but nobody's home
She felt it everyday	That's where she lies, broken inside
I couldn't help her	With no place to go, no place to go
I just (1) her make	To dry her eyes broken inside
The same mistakes again	Her feeling she hides
What's wrong, what's wrong now	Her dream she can't find
Too many, too many problems	She's losing her mind
Don't know where she belongs	She's falling behind
Where she belongs	She can't (9) her place
She wants to go home, but nobody's home	She's losing her faith
That's where she lies, broken inside	She's falling from grace
With no (2) to go, no place to go	She's all over the place (yeah)
To dry her eyes, broken inside	She wants to go home, but nobody's home
Open your eyes	That's where she lies, broken inside
And look outside	With no place to go, no place to go
Find the reason why (why)	To dry her eyes broken inside
You've (3) rejected (You've (4)	She's lost inside, lost inside
rejected)	(oh, oh)
And now you can't find	She's lost inside, (10) inside
What you left behind	(oh, oh, yeah)
Be strong, be (5) now	
Too (6) too many problems	
Don't know (7) she belongs
