

Fill in the gaps

All of these lines across my face
Tell you the (1) of who I am
So many stories of where I've been
And how I got to (2) I am
But these stories don't mean anything
When you've got no one to tell them to
It's trueI was made for you
I climbed across the mountain tops
Swam all across the ocean blue
I crossed all the (3) and I broke all the rules
But baby I broke them all for you
Because even when I was flat broke
You made me feel like a million bucks
Yeah you do and I was (4) for you
You see the smile that's on my mouth
Is (5) the words that don't come out

And all of my mends who think that i'm blessed
They don't know my (6) is a mess
No, they don't know who I really am
And (7) don't know what I've been through like you
do
And I was made for you
All of these lines across my face
Tell you the (8) of who I am
So many stories of where I've been
And how I got to where I am
But these stories don't (9) anything
When you've got no one to tell them to
It's trueI was (10) for you
Oh yes, it's true
I was made for you
