

Fill in the gaps

I (1) it's changing, I (2) the same	I miss you like nobody else
I'm a solo cello outside a chorus	In the heat of (16) sunshine
I've got a secret	I kiss you, and nobody needs to know
It's time for me to tell	To (17) (18) and bitter
That you've been (3) me warm	endings
Just sweet beginnings and bitter endings	In coffee city, we borrowed heaven
In coffee city, we (4) heaven	Don't (19) it back
Don't (5) it back	Winter is coming and I need to (20) warm
I've (6) so wanted, are you taking	The heat
me home?	In the heat of summer sunshine
You (8) me you have to go	I (21) you like nobody else
In the heat of summer sunshine	In the heat of (22) sunshine
I miss you (9) nobody else	I kiss you, and nobody knows
In the (10) of (11) sunshine	In the (23) of summer sunshine
I kiss you, and (12) needs to know	I miss you (24) (25) else
Now (13) you've left me, there's no returning	In the (26) of summer sunshine
I keep comparing, you're always winning	I kiss you, and nobody (27) to know
I try to be strong but you'll never be more wanted	(Sunshine sunshine)
Will you (14) me at home?	
Don't (15) me you have to go	
In the heat of summer sunshine
