

Fill in the gaps

I'm lying here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun
I can't stay on your life support
There's a shortage in (the switch)
I can't stay on your morphine
Cuz its making me itch
I said I tried to call the nurse again
But she's being a little (bitch)
I think I'll get outta here
Where I can run
Just as fast as I can
To the middle of nowhere
To the (1) of my frustrated fears
And I swear you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill
I haven't moved from the spot where you left me
This must be a bad trip
All of the other pills, they were different
Maybe I should get (2) help
I can't stay on your life support
There's a shortage in the switch
I can't stay on your morphine
Cuz its making me itch
I said I tried to call the nurse again
But shes being a little bitch
I think I'll get outta here
