

Fill in the gaps

Young Folks by Peter, Bjorn & John

If I told you things I did before	Everyone is (13) I'm (14) witl
Told you how I used to be	you
Would you go (1) (2)	It doesn't (15) what we do
(3) like me	Where we are going too
If you (4) my (5) word for word	We can (16) around
Had all of my history	And see (17) night through
Would you go along with someone like me	And we don't (18) (19) the
I did before and had my share	(20) folks
It didn't (6) nowhere	Talking 'bout the young style
I would go along with someone like you	And we don't care about the old folks
It doesn't matter what you did	Talking 'bout the old style too
Who you were (7) with	And we don't care about their own faults
We could stick around	Talking 'bout our own style
And see (8) night through	All we (21) 'bout is talking
And we don't care about the young folks	Talking (22) me and you
Talking 'bout the young style	And we don't care about the (23) folks
And we don't care (9) the old folks	Talking 'bout the young style
Talking 'bout the old style too	And we don't (24) about the old folks
And we don't care about (10) own faults	Talking 'bout the old style too
Talking 'bout our own style	And we don't care (25) their own faults
All we care 'bout is talking	Talking 'bout our own style
Talking (11) me and you	All we care 'bout is talking
Usually when things has gone this far	Talking (26) me and you
People tend to disappear	Talking only me and you
No one (12) surprise me unless you do	Talking only me and you
I can tell there's something going on	Talking only me and you
Hours seems to disappear
