## Young Folks by Peter, Bjorn & John

ir i tola you things i ala before	Everyone is leaving i m (6) with you
Told you how I (1) to be	It doesn't matter what we do
Would you go along with someone like me	Where we are going too
If you knew my story word for word	We can (7) around
Had all of my history	And see this night through
Would you go along with someone like me	And we don't care about the young folks
I did before and had my share	Talking 'bout the young style
It didn't lead nowhere	And we don't care about the old folks
I would go along with someone like you	Talking 'bout the old style too
It doesn't matter what you did	And we don't care about their own faults
Who you were hanging with	Talking 'bout our own style
We could stick around	All we care 'bout is talking
And see (2) night through	Talking only me and you
And we don't care about the young folks	And we don't care about the young folks
Talking 'bout the young style	Talking 'bout the (8) style
And we don't care about the old folks	And we don't care about the old folks
Talking 'bout the old style too	Talking 'bout the old style too
And we don't care (3) (4) own	And we don't care about their own faults
faults	Talking 'bout our own style
Talking 'bout our own style	All we care 'bout is talking
All we care 'bout is talking	Talking only me and you
Talking only me and you	Talking only me and you
Usually (5) things has gone this far	Talking only me and you
People tend to disappear	Talking (9) me and you
No one will surprise me unless you do	
I can tell there's something going on
