I Don't Love You by My Chemical Romance

Well when you go	Another time was just another blow
So never think I'll make you try to stay,	So fix your eyes and get up
And maybe when you get back,	Baby, get up
I'll be off,	While you can
To find another way	When you go
When after all this time that you still owe	And would you even (4) to say
You're still a good-for-nothing I don't know,	I don't love you like I did yesterday
So take your gloves and get out,	Well (5) on, (6) on
Baby get out	When you go
While you can	Would you (7) the guts to say
When you go	I don't love you (8) I (9) you
And would you even turn to say,	yesterday
I don't (1) you like I did yesterday	I don't love you
Sometimes I cry so hard from pleading	Like I loved you
So sick and tired of all the needless beating,	Yesterday
But baby when they knock you (2) and out	l don't (10) you
Is where you oughta stay	Like I loved you
And after all the (3) that you still owe	Yesterday
