

Fill in the gaps

Your (1) walls	Dying of anticipation
Your empty walls	Choking from intoxication
Pretentious attention	I want you to be (5) behind those (6)
Dismissive apprehension	walls
Don't waste your time	Taunt you to see from behind those empty walls
On coffins today	Want you to be left behind those empty walls
When we decline	I taunt you to see from behind those empty walls
From the confines of our mind	From behind those empty walls
Don't waste your time	From behind those (7) walls
On coffins today	The walls
Don't you see (2) bodies burning	From behind those empty walls
Desolate and full of yearning	I loved you yesterday
Dying of anticipation	Before you killed my family
Choking from intoxication	Don't you see their bodies burning
Don't you see their bodies burning	Desolate and full of yearning
Desolate and full of yearning	Dying of anticipation
Dying of anticipation	Choking from intoxication
Choking from intoxication	Don't you see their bodies burning
I want you to be left behind those empty walls	Desolate and full of yearning
Taunt you to see (3) behind those empty walls	Dying of anticipation
Those empty walls	Choking from intoxication
When we decline	I want you to be (8) behind those empty walls
From the (4) of our mind	Taunt you to see from behind those empty walls
Don't waste your time	I (9) you to be left behind those empty walls
On coffins today	I taunt you to see from behind those empty walls
Don't you see their bodies burning	From behind those empty walls
Desolate and full of yearning	From behind those fucking walls
Dying of anticipation	From behind those god damn walls
Choking from intoxication	Those walls
Don't you see their bodies burning	Those walls
Desolate and full of yearning	

- 1. empty
