We'll live forever

Tonight it's (1) clear		
As we're both lying here		
There's so many things I want to say		
I will always love you		
I would never leave you alone		
Sometimes I just forget		
Say (2) I might regret		
It breaks my heart to see you crying		
I don't (3) lose you		
I could never make it alone		
I am a man who will fight for your honor		
I'll be the hero you're dreaming of		
We'll live forever		
Knowing together that we		
Did it all for the glory of love		
You'll keep me standing tall		
You'll help me (4) it all		
I'm always strong when you're beside me		
I have always needed you		
I could (5) make it alone		
I am a man who will fight for your honor		
I'll be the hero you've been dreaming of		

Knowing (6)	_ that we		
Did it all for the (7)	of love		
Just like a knight in shining armor			
From a long time ago			
Just in time I will save the day			
Take you to my castle far away			
am a man who will fight for (8)		honor	
'll be the hero you're dreaming o	of		
Ne're gonna live forever			
Knowing together that we			
Did it all for the glory of love			
We'll live forever			
Knowing together that we			
Did it all for the glory of love			
We did it all for love			
We did it all for love			
We did it all for love			
(We did it all for love)
